To Make a Call Using a Speed Dial Entry [Speed Dial]

You can make a call using the speed dial while the vehicle is in motion.

To make a call using the speed dial, you need to store the speed dial number in advance. **▶P.181**

Up to 20 speed dial numbers can be stored.

- 1 Select [Speed Dial].
- 2 Select a person you want to call, and then press the **[ENT]** switch.

Dialling starts automatically.

- 3 To end the call, push forward the **[ENT]** voice control switch on the left handlebar.

▶ The same action can be done by selecting [End Call] on the screen.

- 4 Return to the riding information, previous screen or Home screen. **▶P.38**

You can also perform the above settings by using the touch screen.
