

Shutter

The ignition switch for this motorcycle is equipped with a shutter. After parking the motorcycle, close the shutter for theft prevention.

The shutter will automatically close the ignition switch when you remove the ignition key at the **LOCK** (LOCK) position. Also you can close the shutter manually.

Close

- 1 Remove the ignition key from the ignition switch.
- 2 Align the projection of the shutter key with the slot of the shutter, and turn the shutter key counterclockwise.
- 3 Remove the key.

Open

Align the projection of the shutter key with the slot of the shutter, and turn the shutter key clockwise.
